B's Bees

B's Bees is excited to announce the release of not one, but two albums in early 2018. Their first 2018, a tribute to the great Charlie Haden, and aptly titled "Dear Charlie", reached #4 on iTunes Canada's Jazz Charts. The album contains compositions from the various eras of Charlie Haden's illustrious career, and includes several selections from his Liberation Music Orchestra repertoire, arranged in a new and exciting way. Their second 2018 release, titled "Kanata" was released on April 20. The album contains a suite written by bandleader Brandon Goodwin titled *Kanata Suite*, and is an ode to his home country of Canada.
